Abacus is our ultimate Cabernet Sauvignon. It is a "solera style" multiple vintage blend of every ZD Reserve Cabernet Sauvignon ever produced. The term "solera" describes the fact that only a small portion of the wine is bottled each year. The remainder is returned to barrel to await a new infusion of youth with the next vintage. This means each bottling will grow by one vintage. The twelfth bottling includes 18 vintages of ZD Reserve Cabernet Sauvignon (1992 - 2009). Each bottling is designated by its sequence, with the first and last vintage depicted using the abacus on the attached medallion.
