

2001 Pinot Noir, Carneros

Tasting Notes

This Pinot Noir begins beautifully in the glass with a deep garnet color. Rich aromas of black cherry, cinnamon and nutmeg are complimented by soft toasty oak. On the palate, plum and dried cherry fruit predominate, but notes of vanilla, clove and spice add to the wines complexity . Subtle hints of earth and toast balance the full texture and richness that lead into an incredibly long finish. Enjoy now or lay it down for a couple of years and experience the age ability of Carneros Pinot Noir.
