

2005 Rosa Lee Riesling Santa Barbara County

In keeping with our “new” approach to our RosaLee wine program, in 2005 we continued to embrace change and through the careful “fruit hunting” of our Winemaster/CEO, Robert deLeuze, we found a small amount of Riesling from a vineyard in Los Alamos, CA in Santa Barbara County. The grapes were harvested on November 14th at 23.4°B, and were immediately pressed, chilled to 45°F, and fermented entirely in stainless steel. The wine was made in a slightly “off-dry” style with about 1g/100ml residual sugar. Vibrant and racy on the palate, with hints of peach, orange zest and lime in the aroma, this is a perfect summer wine! Chill it down a bit and enjoy!!
